Sir:

Applicant hereby submits patents, publications, or other information of which he is aware, which he believes may be material to the examination of the above referenced application and in respect to which there may be a duty to disclose in accordance with 37 C.F.R. §1.56. The disclosure contained herein is not intended to constitute an admission that any patent, publication, or other information referred to is "prior art" for this invention unless specifically designated as such. In accordance with 37 C.F.R. §1.97 (b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined by 37 C.F.R. §1.56 exists.

Copies of the references listed on the attached Form PTO-1149 have been cited in a Supplemental Information Disclosure Statement in Applicant's priority application Serial No. 09/627,645 filed July 28, 2000 and therefore copies of the references are not included. No fee is due.

Respectfully submitted,
